INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
The New Start Center
St. Martinville, Louisiana

We have reviewed the accompanying statement of financial position of The New Start Center (a non-profit organization) as of June 30, 2005 and the related statements of activities and cash flows for the year then ended in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information in these financial statements is the representation of the management of The New Start Center.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

In accordance with the *Louisiana Governmental Audit Guide* and the provisions of state law, we have issued a report dated November 3, 2005, on the results of our agreed-upon procedures.

THE NEW START CENTER
NOTES TO FINANCIAL STATEMENTS

Note 1: Nature of Organization and Significant Accounting Policies

Nature of organization:

The New Start Center is a non-profit organization that provides a wide range of services to victims of domestic violence. Its core service is providing shelter and support for victims and children. In addition, a 24-hour crisis line, individual assessment, and case management are provided. The New Start Center is also actively involved with community education including law enforcement training and support groups. The New Start Center coordinates domestic abuse intervention through the court system and provides mandated education for abusers.

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting.

The Organization is an exempt organization for Federal income tax purposes under Section 501(c)(3) of the Internal Revenue Code.

Significant accounting policies:

Support and expenses:

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets in the statement of activities as net assets released from restrictions. The Organization relies heavily on grants (government and other) and general public donations to support its operations.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Allowance for doubtful accounts:

The Organization considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Property and equipment:

Purchased property and equipment are recorded at cost at the date of acquisition. Property and equipment purchased with grant funds are recorded as temporarily restricted contributions. In the absence of donor stipulations regarding how long the assets must be used, that organization has adopted a policy of implying a time restriction that expires over the useful life of the assets. Depreciation is computed by the straight-line method based on the following estimated lives:

	<u>Years</u>
Buildings and improvements	27 ½
Furniture and equipment	5 – 7

THE NEW START CENTER
NOTES TO FINANCIAL STATEMENTS (Continued)

Donated services:

The New Start Center receives donated services from unpaid volunteers who assist in program services during the year; however, these donated services are not reflected in the statement of activity because the criteria for recognition under SFAS No. 116 have not been satisfied.

Cash and cash equivalents:

For the purposes of the statement of cash flows, The New Start Center considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Advertising:

Advertising costs are expensed as incurred. Advertising expense was \$0 in 2005.

Note 2: Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3: Due from Other Agencies

State of Louisiana	
OWS grant	\$ 8,429

**INDEPENDENT ACCOUNTANT'S REPORT ON
APPLYING AGREED-UPON PROCEDURES**

To the Board of Directors
The New Start Center
St. Martinville, Louisiana

We have performed the procedures included in the *Louisiana Governmental Audit Guide* and enumerated below, which were agreed to by the management of The New Start Center, the Legislative Auditor, State of Louisiana, and applicable state grantor agencies solely to assist the users in evaluating management's assertions about The New Start Center's compliance with certain laws and regulations during the year ended June 30, 2005 included in the accompany *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representations regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose

Federal, State and Local Awards

1. Determine the amount of Federal, state and local awards expenditures for the fiscal year, by grant and grant year.

The New Start Center's federal, state and local awards expenditures for the fiscal year are summarized at Note 6 to the financial statements.

2. For each Federal, state, and local award, we randomly selected 6 disbursements from each award administered during the period under examination, provided that no more than 30 disbursements would be selected.
3. For the items selected in procedure 2, we traced the disbursements to supporting documentation as to proper amount and payee.

We examined supporting documentation for each of the selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, we determined if the disbursements were properly coded to the correct fund and general ledger account.

We noted that each of the selected disbursements was properly coded to the correct fund and general ledger account.

5. For the items selected in procedure 2, we determined whether the disbursements received approval from proper authorities.

Inspection of documentation supporting each of the selected disbursements indicated approvals from appropriate supervisory officials.

6. For the items selected in procedure 2: For federal awards, we determined whether the disbursements complied with the applicable specific program compliance requirements summarized in the *Compliance Supplement* (or contained in the grant agreement, if the program is not included in the *Compliance Supplement*) and for state and local awards, we determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

We reviewed the previously listed disbursements for types of services allowed or not allowed. We noted that none of the selected disbursements were for activities not allowed by the grant agreements.

Reporting:

We reviewed the previously listed disbursements for reporting requirements. We noted no instances that were not in compliance with applicable reporting requirements.

7. For the programs selected for testing in item (2) that had been closed out during the period under review, we compared the close-out report, when required, with the entity's financial records to determine whether the amounts agree.

We reviewed available close-out reports for grant programs completed during the year. We noted no instances where the close-out report was not in agreement with the entity's financial records.

Meetings

8. We examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

The agency is only required to post a notice announcing the meeting and a copy of the agenda at the location of the agency's office.

Comprehensive Budget

9. For all grants exceeding five thousand dollars, we determined that each applicable federal, state, or local grantor agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

The New Start Center provided comprehensive budgets to the applicable grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, the duration of the grant period, and plans showing specific goals and objectives that included measures of performance.

Prior Comments and Recommendations

10. We reviewed any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

There were no findings noted during the performance of attestation procedures in the prior year.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of The New Start Center, the Legislative Auditor (State of Louisiana), and the applicable state grantor agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
